

Praktisk information om deltagelse i webinarer

1. Du får adgang ved at klikke på linket til det webinar, du ønsker at deltage i:

Tirsdag den 24/03: <https://tietgenonline.adobeconnect.com/ciu/>

Torsdag den 26/03: <https://tietgenonline.adobeconnect.com/videndeling/>

2. Vælg herefter "Guest", skriv dit navn og din skole og klik på "Enter Room":

The screenshot shows the Tietgen Online registration interface. At the top, it says "TIETGEN ONLINE FOR FREMTIDEN" with a logo. Below that, there are two tabs: "Guest" and "Registered User". The "Guest" tab is selected. Underneath, there is a "Name" field with the text "Hans Hanser" entered. Below the name field, there is a small disclaimer: "By entering a Name & clicking 'Enter Room', you agree that you have read and accept the Terms of Use & Privacy Policy". At the bottom of the form, there is a blue button labeled "Enter Room".

3. Dernæst skal du sikre dig, at der er tændt for lyden på din computer. Tjek at lydikonet i nederste højre hjørne af skærmen er tændt:

4. Inde i webinar-rummet (Adobe Connect) skal lydikonet øverst være grønt:

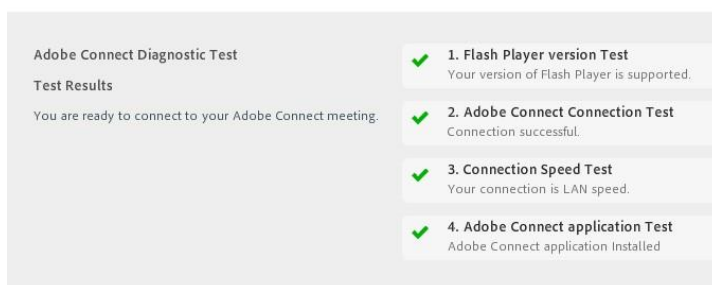

Vi anbefaler, at du anvender høretelefoner – så får du den bedste lyd, og du forstyrrer ikke dine omgivelser. Du kan sagtens anvende de høretelefoner, du normalt bruger til smartphone. Dog er det bedst med kablede høretelefoner og ikke trådløse/bluetooth.

5. For at deltage i webinarret skal den seneste udgave af Flash Player og et Adobe Connect add-in være installeret på din computer. Tjek via linket her, at det er tilfældet:

https://tietgenonline.adobeconnect.com/common/help/en/support/meeting_test.htm

ADOBE CONNECT

The screenshot shows the "Adobe Connect Diagnostic Test" results page. On the left, it says "Adobe Connect Diagnostic Test" and "Test Results". Below that, it says "You are ready to connect to your Adobe Connect meeting." On the right, there are four test results, each with a green checkmark icon:

- 1. **Flash Player version Test**
Your version of Flash Player is supported.
- 2. **Adobe Connect Connection Test**
Connection successful.
- 3. **Connection Speed Test**
Your connection is LAN speed.
- 4. **Adobe Connect application Test**
Adobe Connect application Installed
